REPORT OF THE BOARD OF PAROLE

The Board of Parole acts under the authority vested in it by Section 3786, Code of 1927, as follows:

"3786. POWER TO PAROLE AFTER COMMITMENT.

"The Board of Parole shall, except as to prisoners serving life terms, or under sentence of death, or infected with venereal disease in communicable stage, have power to parole persons convicted of crime and committed to either the penitentiary or the men's or women's reformatory."

TABLE NO. III—PAROLES PRIOR TO BIENNIAL PERIOD (1928-1930) Record as to Paroles and Final Disposition of Those Paroled from July 1, 1907, to June 30, 1928

Total number paroled prior to biennial period (1928-1930)	5,227
Actively reporting June 30, 1928	5
Discharged from parole	3,600
Pardoned by Governor, sentence commuted, died, deported, insane, reversed by Supreme Court, etc.	88
Paroles revoked and returned to prison	1,010
Absconded and not apprehended	524
Percentage of defaulters to total paroled	29.34

Note: The above table shows the results of the paroles granted from the Penitentiary and Men's Reformatory during a period of 21 years. The basis for the showing of percentage of defaulters (being 29.34) is the number of men returned to the prison during the period (1,010) and

those who have absconded and as yet have not been apprehended (524). Of the 1,010 who were returned during the 21 years, the percentage who committed crimes while on parole was very small, not to exceed two or three per cent of that number, but their paroles were revoked because of their not showing a disposition to abide by the conditions of their parole; and in order to prevent any possible commission of crime, they were returned to the prisons. Of the 5,227 paroled during the 21 years, there are 524 still at large who absconded, being an average of 25 a year who disappeared. These 524 are 10.02% of the total number paroled, and therefore, this 10.02% represents the real loss extending over a period of 21 years. All of the balance of the number paroled during that time have either served their paroles and been discharged therefrom, or have been returned, or in a few cases their sentences have been suspended, or they have died, etc.
